Sit back and let us take you to Lebanon and its food culture.

Our vision is for you to experience the Middle East through our eyes and how we have chosen to interpret Lebanese cuisine.

To experience as many different flavours as possible and fully enjoy the Lebanese kitchen we recommend your party to choose several small courses - and why not let our chefs decide your dinner tonight by ordering one of our tasting menus.

To enhance your experience we will choose a Lebanese wine according your desires and take the flavors and spices in your food to a whole new level. For those who prefer beer we have blonde lager and a spicy version of Pale Ale.

At the end of your dinner, we offer a variety of delicious and tasty desserts and, of course, we serve this with an exquisite oriental coffee.
